Required Books:

OER

Exams and Daily Grades:

Prior to each exam I will give you a study guide via Canvas and explain how to use it. There will be a total of **(5) five exams** for this course, which will account for **70% of the total course grade** **Daily Grades** count as **20%** of the total course grade and will come from assignments throughout the semester. **A History Essay will also be counted towards the Daily Grade.** Class room participation grade will also compromise the Daily Average.

Attendance

Attendance will consist of Ten Percent (10%) of your total grade.

Absences:

A student's **OVERALL COURSE GRADE** will be **DECREASED BY ONE LETTER GRADE** when he/she misses **MORE THAN FOUR** classes and will **CONTINUE TO DROP by the same increment for each absence thereafter.** Students arriving to class late may find the door closed, in which case they will not be allowed to enter.

Format:

Students are expected to *take notes thoroughly* and to be familiar with material covered in previous classes. Discussions of complex and significant historical issues facilitate critical thinking and the learning process and will be encouraged, especially through the assigned readings. **Each class room lesson and/or power point presentation will be provided on Canvas.** Students should feel free to ask questions and will be *expected to participate in discussions.*

Makeup Work:

****Students must prove they have a valid reason to be eligible for a makeup, such as a documented medical emergency, and not a routine dental visit.**

If a student is absent when a test is given or an assignment is due the grade will be treated as a zero (0) unless *prior* arrangements have been made with the instructor. If prior approval is not possible a student must contact the instructor as *soon as possible* or a make-up will not be allowed. **Students are responsible for scheduling makeups with the instructor.**
